

Location for LA AFS Meeting

The LA AFS meeting will be held on a different location on the campus of Nicholls than it has in the past. This year we will meet in 152 Ayo Hall. Please review the [campus map](#) for the building location (building #2 on the campus map). The social will take place at the soccer pavilion across the street (building # 50 on the campus map). The best place to park is in the football stadium parking lot so that you will not need to move your vehicle between the meeting and the social.
